# OKI ES4140dn "Special Offer"

## Workgroup performance within a compact footprint

- Everything you need
- Dependable performance
- Easy to live with
- A range of utilities make things simple

The ES4140 combines dependable high quality monochrome printing with a feature packed specification in a compact stylish printer.

The ES4140 offers users hassle free high speed monochrome output time after time, stylish design automatic double sided printing and powerful in box utilities complete the package.
With print speeds of 28 pages per minute (ppm) you can be confident that the ES4140 will power through the demanding workloads of the office user, delivering crisp clear text at 1200dpi and smooth graphics time after time.

The standard paper capacity is a generous 580 sheets, fed from two sources with the possibility of expanding this to 1,110 sheets. The addition of high capacity toners minimising down time and a high monthly duty cycle ensure the ES4140 instantly becomes one of the team, only from OKI Printing Solutions.
